Press Release

Expanding American Fulfillment LLC Relocates to Danbury, CT

Danbury, CT, June 1 2011: American Fulfillment LLC, (www.aflc.com) a Connecticut-based provider of product fulfillment, inventory management, logistics, and warehousing services announces the relocation of corporate offices and operations to the Shelter Rock Business Center at 22 Shelter Rock Lane in Danbury. "The larger facility is necessary to keep pace with our continued growth while maintaining our commitment of excellence to our customer base," stated Brian Boodry, President of the 12 year-old firm.

Growth is the Goal

American Fulfillment is transferring its entire employee base and operations from its old location in Oxford, CT, to a space that is double in size. Other enhancements offered by the new facility include:

- Climate-controlled warehouse for optimal storage conditions
- Improved production area for light assembly, collation, and kitting
- Ideal location, close to corporate centers and transportation hubs

According to Boodry, "Our goal is to handle the order fulfillment, inventory management, and the shipping-related needs of our customers' daily operations in a way that is transparent to their end customer. This allows our clients to focus on growing their business through sales, marketing, product development, and strategic management."

For Immediate Release
